Public Comment: FCC Proceeding 13-86

I oppose any changes to the current FCC indecency standards. The FCC must continue to vigorously oppose ALL indecent content, even if brief or "fleeting."

The Supreme Court has affirmed the FCC's authority to enforce policies prohibiting indecent broadcast content during hours when children are likely to be in the viewing or listening audience. Relaxing the current policy would not serve the public interest.

I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.

The expression "oh my god" should be a "no no." Very offensive. "Lord think?"
